Information Sheet

on regular examination acc. the
198th Ordinance by the Federal Minister for Health on health precautions for people providing services of a sexual nature

§ 1. (1) People who tolerate sexual activities on their own bodies as a profession or who undertake such activities on others must subject themselves to a medical authority examination (checkup) prior to commencing these activities (entry examination) and at regular intervals of six weeks to ensure that they are free of sexually transmitted diseases.

Here the following examinations will be carried out free of charge:

- Smear test examination for gonorrhoea/the clap every 6 weeks
- Blood test for HIV, lues/syphilis every 12 weeks
- Lung X-ray (TBC) once per year

The following are necessary for registration:

- a valid photo ID (passport or official identity card)
- 1 passport photo
- a valid address and mobile telephone number

Appointments made by the club.

Should you change your workplace, you are obligated to inform the regional administrative authorities where your last examination took place!

Examination date: **Monday from 13:30 hrs**

If it is determined that you are suffering from a sexually transmitted disease, then you will be contacted by telephone.
If we are unable to contact you, the safety authorities will be called in.
Your ID pass will be taken from you during treatment; you will receive it back again once the treatment has been confirmed complete.
